

Are you interested in learning about pharmaceutical industry careers?

Merck will host the 3rd annual Emerging Talent Symposium on **Thursday, April 18th, 2024!** The event will be **in person at the Merck Headquarters in Rahway, NJ.** We are looking for passionate undergraduate and graduate students from around the country to share their scientific and research accomplishments, network with industry professionals and fellow students, and learn about potential internship and career pathways in the pharmaceutical field. Students will have the opportunity to share their research or related interests through oral or poster presentations, tour our lab facilities and engage in mentoring sessions with professionals from across Merck. This meeting is geared toward students interested in pursuing a career in pharma-related fields, including but not limited to the biological sciences, chemistry, molecular and cell biology, pharmacology, biomedical engineering, chemical engineering, clinical supply chain, manufacturing and project management.

<i>Application Opens</i>	<i>January 17th, 2024</i>
<i>Applications Closes</i>	<i>February 16th, 2024</i>
